

Ticco Range of Raised Toilet Seats

A universal toilet aid that makes sitting down and standing up from the toilet easier. Made in the EU, with an easy cleaning plastic surface and hygienic cut outs at the front and back; the Ticco range brings a greater level of support for those that need it. Models are available in three heights and with / without a lid to best meet the user's needs.

Providing a high maximum user weight to support a wide range of users.

Tool free assembly

Ticco without lid

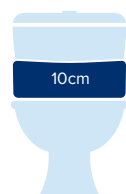

Ticco with lid
